DELTA BY-LAWS.

A BY-LAW

To authorise the sale of Real Property within the limits of the Corporation of Delta.

WHEREAS it is expedient that all lands or improvements or real property within the limits of the Corporation of Delta upon which there shall be at the time of the passing of this By-law unpaid Municipal taxes (whether special, general or otherwise) in arrear for the period of two years prior to the passage of this By-law, shall be sold at public auction for the purpose of paying and satisfying all Municipal taxes of every kind and description remaining unpaid thereon at the date of the passage of this By-law, together with interest thereon at the rate of six per centum per annum from the 31st day of December next following the date when the respective taxes became due:

Be it therefore and it is hereby enacted by the Municipal Council of the Corporation of Delta (hereinafter referred to as "the said Corporation") as follows:—

1. The Collector of the said Corporation is hereby authorised and directed, whenever any unpaid Municipal taxes of any kind or description whatever upon any land or improvements or real property have been due and in arrears for two years prior to the passage of this By-law, to prepare lists of all such lands or improvements or real property, scheduling in separate columns in such lists (1) the amount of taxes for which the property is liable to be sold under the By-law, which shall include all Municipal taxes of every kind and description remaining unpaid upon such lands, improvements or real property at the date of the passing of such By-law; (2) the Collector's commission, not exceeding five per cent., and the contingent expenses of sale, that is, the estimated proportionate amount of all costs incidental to and connected with such sale; (3) the total amount of taxes, interest as above, and costs for which the respective property is liable to be sold.

2. The said lists shall be duly authenticated by the Reeve of the said Corporation affixing thereto his signature and the Seal of the said Corporation.

3. A copy of such lists shall be published in the New Westminster "Weekly Columbian" and appear in the Municipal Council Chamber of the said Corporation for a period of one month prior to the date of the said sale, together with a notice declaring that unless the said arrears of taxes, interest and costs thereon be not sooner paid, the said lands, improvements and real property mentioned in said lists shall be sold by public auction at the said Council Chamber of the said Corporation on the 3rd day of July, 1899, at ten o'clock in the forenoon, or if it may be found necessary for the said Collector in order to carry out the said sale to adjourn the said sale, then at any adjournment of such sale he may deem fit to make, and such sale shall take place in accordance with the said notice, and the amount of the arrears of taxes, interest and costs mentioned in said lists shall be prima facie evidence of the amount due in any Court of law in the Province.

4. The Collector shall at least thirty days prior to said sale deliver to or deposit in the Post Office at Ladner at the usual postage rate prepaid in each case to the known address of the owner of the said lands, improvements or real property, or of his agent, a notice in writing, or partly written and partly printed, of the amount of arrears due thereon, including interest and costs incurred, and of such intended sale and of the time and place of such sale, and in case of the address of such owner or his agent being unknown, such notice shall be posted on the property intended to be sold or as near to the property as practicable.

5. The said Collector shall not before effecting any sale hereunder, be bound to make any levy upon the said property, or to ascertain whether any distress is upon the said property or to inquire into the value of any of the said lots mentioned in the said lists.

6. The Collector shall at the time and place appointed for such sale and at any adjourned sale proceed to sell by public auction all or so much of each and every of said lots mentioned in said lists upon which the arrears of taxes remaining unpaid at the date of the passage of this By-law, interest and costs have not been paid prior to such sale as may in his opinion be sufficient to discharge the said arrears, interest and costs, and as may in his opinion be just

and convenient having due regard to the advisability of cutting up such lots.

7. If the purchaser of any lot or part lot at such sale fails immediately to pay to the Collector the amount of the purchase price therefor, the Collector shall forthwith re-offer the said property for sale.

8. If at any time appointed for any sale hereunder no bidder appears or should the bidding in any case be insufficient to satisfy the arrears of taxes, interest and costs, the Collector may in his discretion adjourn the sale from time to time and change the place of the sale as he may think fit without further notice, and at any such adjournment the Collector may if he thinks fit sell such land for any such sum as he can realize.

9. Whenever at any time during said sale or adjourned sale it may happen that the price for the purchase of any lots or part lots of land contained in said lists is less than the amount of taxes, interest and costs charged against the same, it shall be lawful for the Reeve or any member of the Council of the said Corporation to purchase the said lots or part lots for and in the name of the said Corporation, and in case any such lots or part lots so purchased by the Corporation are not redeemed within the time specified by law, the Council of the Corporation may by resolution, sanctioned by the vote of two-thirds of such Council, sell such property or any of it at such price as the resolution may specify.

10. The Collector shall after selling any lot or part lot give to the purchaser thereof the necessary certificate provided for by section 14 of the "Municipal Clauses Amendment Act, 1898."

11. Immediately after such sale or adjourned sale the Collector shall return a list of the arrears of taxes, interest and costs satisfied by such sale to the Council of the said Corporation, and shall at the same time pay in the proceeds thereof to the Treasurer of the said Corporation.

12. The Collector shall be entitled to a commission of 5 per cent. on all arrears of taxes and interest collected by him, and such commission shall be included in the respective costs set out in the said lists.

13. Nothing herein contained shall affect the right of the said Corporation to recover the said arrears of taxes with interest and costs by any other proceedings authorised by the "Municipal Clauses Act."

14. This By-law may be cited as "Delta Tax Sale By-law, 1899."

Passed by the Council of the said Corporation this 4th day of February, A. D. 1899.

Reconsidered and finally passed and adopted, and the Seal of the said Corporation affixed thereto and signed by the Reeve and Clerk this 25th day of February, A. D. 1899.

The owner or owners of the real property mentioned in any such report abutting upon the side of the street or portion of the street where such sidewalk is intended to be constructed, and which real property will front on the said intended sidewalk are hereby assessed from the date of the adoption by the Council of such report, with a special rate equal to two-thirds of the expense, costs and charges of constructing such sidewalk, as ascertained by the said report and according to the frontage of such real property respectively, upon such sidewalk, and the other one-third of such expense, cost and charges, together with the whole of the cost in respect to street corners shall be assumed by the Council as the Corporation's share of the cost of such sidewalk.

5. The amounts so assessed shall be assessed and levied against the said real property of such owner or owners, respectively, and shall be paid to the City Treasurer within one month from the service upon such owner or owners, respectively, or his or their agent, of a notice in writing, stating the amount payable by such owner or owners, respectively, and requiring payment of such amount to the Corporation, by payment to the City Treasurer, and in default thereof shall bear interest from and after one month from the service of such notices, respectively, at the rate of six per cent. per annum until paid, and may be recovered, together with all costs in that behalf, forthwith after default by a distress and sale of the goods and chattels of the person liable for such rate, or by the sale of the whole or part of the real property so charged, but in the event of the sale of any of the said property, or any part thereof, respectively, ten days' notice thereof published daily in one newspaper circulating in the municipality shall be given.

6. All that portion of the City which is within the line next hereinafter described shall be known as the "Permanent Sidewalk Limits," namely:—Commencing at the north end of Wharf Street at its intersection with Johnson Street; thence running southerly along the western street line of Wharf Street past the old Custom House; thence following the line of the said street easterly along the southern street line of the said street in a straight line across Government Street to the southern street line of Humboldt Street, and along the said southern street line of Humboldt Street to its intersection with the eastern street line of Douglas Street; thence running northerly along the said eastern street line of Douglas Street to the southern street line of Fort Street; thence easterly along the said southern street line of Fort Street to the eastern street line of Blanchard Street; thence northerly along the said said eastern street line of Blanchard Street to the northern street line of Pandora Street; thence westerly along the said northern street line of Pandora Street to the eastern street line of Douglas Street; thence northerly along the eastern street line of Douglas Street to the northern street line of Fisguard Street; thence along the said northern street line of Fisguard Street to the western street line of Store Street; thence southerly along the said western street line of Store Street to the northern street line of Johnson Street; thence westerly along the northern street line of Johnson Street to the eastern street line of Wharf Street; thence northerly along the said eastern line of Wharf Street to the northern end of Wharf Street; thence westerly across Wharf Street to the western street line of Wharf Street; thence southerly to the point of commencement.

7. All sidewalks constructed under or in pursuance of the powers given by the preceding sections of this by-law shall be constructed by the Corporation under the supervision and to the satisfaction of the City Engineer.

8. The Council may permit the owner or owners of any real property abutting upon any street, whether within or without the said limits, to construct a permanent sidewalk of concrete, brick or such other material as may be approved by the Council, with granite or concrete curb, provided that such sidewalk shall be constructed by such owner or owners under the supervision and to the entire satisfaction of the City Engineer, and unless such owner or owners shall in consideration of the construction of such sidewalk receive temporary permission to construct and have the use of any cellerage under such sidewalk, the Council may contribute and pay to such owner or owners one-third of the cost of such sidewalk as determined by the City Engineer.

9. Sec. 2. The money so borrowed shall be expended in defraying the current legal expenses of the said corporation for the year 1899, and shall, together with the interest thereon, be repayable and repaid to the lender or lenders thereof on or before the 31st day of December, 1899, out of the Municipal revenue for the said year.

Sec. 3. The amount so borrowed, and interest thereon, shall be a liability of the said Corporation, payable out of the Municipal revenue for the current year 1899, and the form of obligation to be given as an acknowledgment of such liability to the said lender or lenders shall be a promissory note or notes as the sums may be required, signed by the Mayor and the Finance Committee and the Clerk of the said Corporation, and bearing the seal of the said Corporation, all of which notes shall be made payable on or before the 31st day of December, 1899, and a notice shall be written or printed on the back of every note to the effect that the liability of the said Corporation incurred by the said promissory note or notes shall be made payable out of the Municipal revenue for the year 1899.

Sec. 4. In the construction of this By-law the expressions "land" and "improvements" and "real property," shall have respectively the meaning given them in the "Municipal Clauses Act."

VICTORIA CITY BY-LAWS.

NO. 296.

A BY-LAW

To make further provision for Fire Department purposes and to further amend "The Market By-law."

WHEREAS the Fire Hall on Pandora Street, consisting of a portion of the City Hall, is not large enough to accommodate all the fire engines and apparatus which it is necessary to keep in that neighbourhood, and it is advisable to substitute for such Fire Hall a Fire Hall in the Market Building, which building is of greater size than is required for market purposes:

Therefore, the Municipal Council of the Corporation of the City of Victoria enacts as follows:—

1. The first two unnumbered paragraphs (immediately following the words "Designation of Markets") of the "Market By-law" are hereby repealed and the following substituted therefor:—

"The following places shall be respectively designated and declared to be public markets of the City of Victoria, to wit:

"That piece or parcel of land comprised in Lot 586 and 587, Block N, and all that westerly portion of Lot 588, Block N, having a frontage of 39 feet on Cormorant Street measured from the south-west corner of said Lot 588 by the whole depth of the said Lot 588, which said piece or parcel of land is set aside for the sale of butchers' meats, fish, vegetables, butter, eggs, cheese and other farm produce, together with dry goods, fancy goods, etc."

2. The piece of land comprised in all that easterly portion of Lot 588, Block N, having a frontage of 31 feet on Cormorant Street measured from the south-east corner of the said Lot 588 and a depth equal to the whole depth of said Lot, and the west half of Lot 589, Block N (and which said piece of land has altogether a frontage of 51 feet on Cormorant Street and is part of the land upon which the Market Building has been erected) shall be set aside for Fire Department purposes.

3. It shall be lawful for the Municipal Council to alter and reconstruct that portion of the said Market Building which stands on or covers the land so to be set aside for the last-mentioned purposes in such manner as it shall think fit, and it shall be lawful for the Mayor and Fire Wardens to remove thereto and keep therein all fire engines, chemical engines and other apparatus that they shall think necessary to be kept therein, and also to use the said portion of the said building for all or any of the purposes of a Fire Hall.

4. The cost of such alteration and reconstruction of the said portion of the said Market Building shall be borne and paid out of the proceeds of sale of the "Deluge Fire Hall" on Yates Street, or out of the ordinary revenue of the Municipality as the Council shall think fit.

5. This By-law shall before the final passage thereof, receive the assent of the electors of the said Corporation in the manner provided by the "Municipal Clauses Act," and shall take effect on the first day of March, 1899.

6. This By-law may be cited as "The Market Fire Hall By-law."

The persons qualified to vote for Mayor and Aldermen at such first election shall be all such persons as are male British subjects of the full age of twenty-one years, and whose names are on the last Provincial Assessment Roll, and who are assessed for property within the city limits, or who are residents of and carry on business within the city limits and are the holders of a trader's licence for which the annual fee is not less than five dollars, or who are householders and have resided within the limits of the city for at least six months prior to the date of nomination.

"Householder" shall extend to and include every person who holds and occupies a messuage, dwelling or tenement, or any part or portion of a messuage, dwelling or tenement within the municipality yielding and paying therefor a rental, or rent value of not less than sixty dollars per annum.

Until the said city is divided into wards, the Mayor and Aldermen shall be elected by those qualified to vote in the whole city.

The Mayor and Aldermen elected at such first election shall hold office until his successor, or a majority of their successors, have been sworn in, unless he or they shall die or resign or become disqualified.

It shall be the duty of the Returning Officer to enter in a book, in alphabetical order, the names, addresses and occupations of all persons, qualified to vote as aforesaid, who make application to him, as aforesaid, to have their names placed on such list, and such list shall be the list of the electors for such elections.

Before the name of any person shall be placed on the list, he shall make and sign a declaration in writing, before some person authorised to administer oaths, setting forth his name, address, occupation and qualifications as aforesaid, which declaration shall be filed with the Returning Officer.

Such list and declarations shall be open to inspection by any person within lawful hours.

Any person may complain that his name is improperly omitted from the voters' list, or that any other name is improperly inserted thereon, and may apply to any Judge of the Supreme or County Court to have his name inserted thereon or to have any names improperly inserted thereon struck off the said list. In such latter case reasonable notice, to be determined by the Judge applied to, shall be given to the person whose name is proposed to be struck off. The Judge shall hear and dispose of all such applications in a summary way, and the Returning Officer shall amend the list in accordance with the Judge's decision.

At least six days' notice of the time and place of nomination and of holding of the poll (if any) shall be given by the said Returning Officer; such notice to be posted during that period in the manner provided by section 30 of the "Municipal Elections Act."

The Returning Officer shall, on the day of nomination, at 2 o'clock P.M., announce the names of the persons put in nomination in that behalf as candidates for the offices of Mayor and Aldermen, as prescribed by the "Municipal Elections Act, 1896."

At the close of the time for nominating the candidates the Returning Officer shall deliver to every candidate, or agent of a candidate, applying for the same, a duly certified list of the names of the several candidates who shall have been nominated; and any votes given at the election for any other candidates than those so nominated shall be null and void.

If, at the expiration of the time appointed for the election as aforesaid, no more candidates stand nominated than there are vacancies to be filled up, the Returning Officer shall forthwith declare the candidates who may stand nominated to be elected, and return their names to the Registrar of the Supreme Court.

No speeches or interruption to the proceedings of nominating candidates at the hustings shall be permitted by the Returning Officer between the reading of the notice of election and the closing of the proceedings on nomination day by the Returning Officer.

If, at the expiration of such time, more candidates stand nominated than there are vacancies to be filled up, the Returning Officer shall declare the names of the candidates, and publicly proclaim the day previously stated in his proclamation, and the place or places at which the poll shall be so opened in the Municipality, for the purpose of taking the votes of the electors according to law; and shall then adjourn the election, and shall take a poll by ballot, and shall cause to be posted up notices of his having granted such poll, indicating the names, residences, and occupations of the candidates so nominated, in the order in which they shall be printed on the ballot papers, which notices shall, as soon as possible after the nomination, be placarded in all the places where the proclamation for the election was posted up.

If, after the adjournment of an election by the Returning Officer for the purpose of taking a poll, one of the candidates nominated shall die before the poll has commenced, the Returning Officer shall, upon being satisfied of the fact of such death, countermand notice of the poll, and all the proceedings with reference to the election shall be commenced afresh: Provided that no fresh nomination shall be necessary in the case of a candidate who stood nominated at the time of the countermand of the poll.

In case of a poll being held the candidates (duly qualified) who shall obtain the greatest number of votes shall be Municipal Aldermen and Mayor respectively.

Every person qualified to vote shall have seven votes, being one for each Alderman to be elected, and one for Mayor, but he may vote for any less number than seven: Provided always, that he shall not cast more than one vote in favour of any one candidate, or vote on more than one occasion. And in the event of the number of votes being found to have been equal for any two or more candidates, one or more of whom, but not all of such candidates, being by the state of the poll entitled to be declared elected, the Returning Officer shall by a casting vote or votes, as the case may be, decide which of the candidates for whom the votes may be equal shall be elected: Provided that the said Returning Officer shall not vote except in case of an equality of votes as aforesaid.

All expenses attendant upon the said election shall be borne by the said city.

The opening of the ballot boxes and counting the votes shall be in the presence of the candidates if they attend for that purpose.

The Returning Officer, after the declaration of the poll, shall retain the ballot papers and boxes until a Clerk shall be duly appointed, to whom he shall forthwith deliver the same.

Every person who shall have presented himself for nomination, and who shall have been elected a Municipal Alderman or Mayor, must serve for the term for which he has been elected, unless in the case of sickness, or in default pay a sum of fifty dollars towards the Municipal Revenue; such sum, with costs, shall be recoverable by the Clerk of the Municipality, summarily, before any Justice of the Peace.

Any vacancy in the office of Mayor or Alderman shall be filled as provided by the "Municipal Elections Act."

The first meeting of the Council shall be held on the first Saturday after the day of election, at the Court House, at 12 noon.

Until provision be made by by-law, in that behalf, all proceedings at and relating to the meetings of the Council shall be held and taken in accordance with the provisions contained in the "Municipal Clauses Act," and all the powers, privileges, and duties of the Mayor and Council shall be the same as those prescribed by the said Act.

At the first meeting, or as soon thereafter as possible, the Council may elect a Clerk, Treasurer, Collector, and Assessor, or such officers as they may deem necessary, who shall hold such office during the pleasure of the Council, and receive such remuneration as the Council may by by-law appoint.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of the said Province to be hereunto affixed: WITNESS, the Honourable THOMAS R.
